Company Overview

ExecuJet Haite Aviation Services China Co. Ltd is a full-service state-of-the-art business jet dedicated facility located at Binhai International Airport in Tianjin, China. ExecuJet Haite holds CAAC, EASA, FAA, Cayman, Bermuda, Aruba, Hong Kong, and Macau approvals and is an authorized service center for Dassault Falcon Jet, Embraer Executive Jets, and Rolls-Royce on engines. ExecuJet Haite also offers line and base maintenance support on multiple Bombardier and Gulfstream models as well as line support for the Boeing business jet.

The company opened its custom-built 5,800-square meter hangar and office complex in 2014 and continues to expand on the Tianjin site with phases that will be completed in 2021. The site already boasts nearly 2,700 square meters of business jet-dedicated hangar space, over 10,000 square meters of ramp space for parking, an on-site engine run-up bay, and a direct access security channel.

ExecuJet Haite has earned approvals from the Civil Aviation Administration of China (CAAC) Part-145, European Aviation Safety Agency (EASA) Part-145, FAA Part-145 repair station, Cayman, Hong Kong, Macau, Bermuda, and Aruba, to perform various levels of line and base maintenance. It became the first business jet-focused MRO in mainland China to be awarded the prestigious EASA Part-145 certification in early 2018.

ExecuJet Haite is a fully-equipped and Authorized Service Center for both line and base maintenance service for Embraer's Legacy 600/650 and Lineage 1000 as well as the Phenom 100 and the Phenom 300 models. ExecuJet Haite offers line and base maintenance support for Bombardier Learjet 60 XR, Challenger 300, Challenger 604, Challenger 605, Challenger 850, Global Express, XRS, Global Vision, and Global 5000/6000 aircraft. As an Authorized Service Center for Dassault Falcon Jet, ExecuJet Haite offers both line and base maintenance support for the Falcon 7X and Falcon 8X. The company carries out line and base maintenance on multiple Gulfstream models, including the GV and GIV series, (G550 and G450). Line maintenance and AOG support is also provided on the Boeing BBJ 737-7. ExecuJet Haite is also a Rolls-Royce Authorized Service Center and an authorized avionics dealer for Honeywell International and Garmin in mainland China.
